International Forum of Design Networks

The human city grid starts with design. It plays an integral role in making urban living more satisfying. Designing a happy city will be the main topic of the International Forum of Design Networks.

Join the conversation - let's meet in Kaunas this October!

International Forum of Design Network sis a part of the Kaunas Design Festival organized by Kaunas - European Capital of Culture 2022

Participants:

UNESCO Design Cities Network

ICoD (International Council of Design)

BEDA (Bureau of European Design Associations)

EIDD (Design for All Europe)

Special guest World Design Capital Valencia 2022
